

College of Letters and Science Advanced Placement Credit

For Continuing Students Entering Prior to Fall 2002 and Transfer Students Entering Prior to Fall 2004

All units and course equivalents to AP Tests are lower division. If an AP Test has been given UCLA course equivalency (e.g., Life Sciences 15), it may not be repeated at UCLA for units or grade points. Updated July 2003.

AP Test	Score	UCLA Lower Division Units and Course Equivalents	Credit Allowed for University and GE Requirements
Art History	3, 4, or 5	8 units	No application
Art, Studio		<i>8 units maximum for all tests</i>	
Two-Dimensional Design Portfolio	3, 4, or 5	8 units	No application
Three-Dimensional Design Portfolio	3, 4, or 5	8 units	No application
General Portfolio (no longer offered)	3, 4, or 5	8 units	No application
Biology	3, 4, or 5	Life Sciences 15 (4 units) plus 4 unassigned units	4 units toward life sciences requirement
Chemistry	3	8 units	No application
	4 or 5	8 units	4 units toward physical sciences requirement
Computer Science		<i>4 units maximum for both tests</i>	
Computer Science (A Test)	3, 4, or 5	2 unassigned units	No application
Computer Science (AB Test)	3, 4, or 5	4 unassigned units	Satisfies quantitative reasoning requirement
Economics			
Macroeconomics	3	4 unassigned units	No application
	4 or 5	Economics 2 (4 units)	4 units toward social analysis requirement
Microeconomics	3	4 unassigned units	No application
	4 or 5	Economics 1 (4 units)	4 units toward social analysis requirement
English		<i>8 units maximum for both tests</i>	
Language and Composition	3	8 unassigned units	Satisfies Subject A requirement
	4 or 5	English Composition 3 (8 units)	Satisfies Subject A and English Composition Writing I requirements
Literature and Composition	3	8 unassigned units	Satisfies Subject A requirement
	4 or 5	English Composition 3 (8 units)	Satisfies Subject A and English Composition Writing I requirements
Environmental Science	3	4 unassigned units	No application
	4 or 5	Geography 5 (4 units)	4 units toward life sciences requirement
Geography, Human	3, 4, or 5	4 units	No application

Government and Politics			
Comparative	3, 4, or 5	4 units	4 units toward social analysis requirement
United States	3, 4, or 5	4 units	4 units toward social analysis requirement; satisfies American History and Institutions requirement
History			
European	3, 4, or 5	History 1C (4 units) plus 4 units	4 units toward historical analysis requirement
United States	3	8 units	Satisfies American History and Institutions requirement
	4 or 5	History 13A, 13B, 13C (8 units)	8 units toward historical analysis requirement; satisfies American History and Institutions requirement
World	3, 4, or 5	8 units	No application
Languages and Literatures			
French Language	3	French 4 (8 units)	4 units toward language and linguistics requirement; satisfies foreign language requirement
	4	French 5 (8 units)	4 units toward language and linguistics requirement; satisfies foreign language requirement
	5	French 6 (8 units)	4 units toward language and linguistics requirement; satisfies foreign language requirement
French Literature	3, 4, or 5	8 units	No application
German Language	3	German 3 (8 units)	Satisfies foreign language requirement
	4	German 4 (8 units)	4 units toward language and linguistics requirement; satisfies foreign language requirement
	5	German 5 (8 units)	4 units toward language and linguistics requirement; satisfies foreign language requirement
Latin		<i>8 units maximum for both tests</i>	
Latin Literature	3	Latin 1 (4 units)	No application
	4 or 5	Latin 3 (4 units)	Satisfies foreign language requirement
Vergil	3	Latin 1 (4 units)	No application
	4 or 5	Latin 3 (4 units)	Satisfies foreign language requirement

Spanish Language	3	Spanish 4 (8 units)	4 units toward language and linguistics requirement; satisfies foreign language requirement
	4	Spanish 5 (8 units)	4 units toward language and linguistics requirement; satisfies foreign language requirement
	5	Spanish 6 (8 units)	4 units toward language and linguistics requirement; satisfies foreign language requirement
Spanish Literature	3, 4, or 5	8 units	No application
Mathematics		<i>8 units maximum for both tests</i>	
Mathematics (AB Test: Calculus)	3	4 units	4 units toward physical sciences requirement; satisfies quantitative reasoning requirement
	4 or 5	Mathematics 31A (4 units)	4 units toward physical sciences requirement; satisfies quantitative reasoning requirement
Mathematics (BC Test: Calculus)	3	8 units	8 units toward physical sciences requirement; satisfies quantitative reasoning requirement
	4 or 5	Mathematics 31A, 31B (8 units)	8 units toward physical sciences requirement; satisfies quantitative reasoning requirement
Music		<i>8 units maximum for both tests</i>	
Music Literature (no longer offered)	3, 4, or 5	8 units	No application
Music Theory	3, 4, or 5	8 units	No application
Physics		<i>8 units maximum for all tests</i>	
Physics (B Test)	3, 4, or 5	8 units	No application
Physics (C Test: Mechanics)	3, 4, or 5	8 units	No application
Physics (C Test: Electricity and Magnetism)	3, 4, or 5	8 units	No application
Psychology	3	4 unassigned units	No application
	4 or 5	Psychology 10 (4 units)	4 units toward social analysis requirement
Statistics	3	4 unassigned units	Satisfies quantitative reasoning requirement
	4 or 5	Statistics 10 (4 units)	Satisfies quantitative reasoning requirement
