

College of Letters and Science
Advanced Placement Credit
 Beginning Fall Quarter 2002 For Entering Freshmen

Beginning Fall Quarter 2002 for entering freshmen, no general education (GE) credit is given for any AP Test. All units and course equivalents to AP Tests are lower division. If an AP Test has been given UCLA course equivalency (e.g., Economics 2), it may not be repeated at UCLA for units or grade points. Updated July 2002.

AP Test	Score	UCLA Lower Division Units and Course Equivalents	Credit Allowed for University and College Requirements
Art History	3, 4, or 5	8 unassigned units	No application
Art, Studio		<i>8 units maximum for all tests</i>	
Two-Dimensional Design Portfolio	3, 4, or 5	8 unassigned units	No application
Three-Dimensional Design Portfolio	3, 4, or 5	8 unassigned units	No application
General Portfolio (no longer offered)	3, 4, or 5	8 unassigned units	No application
Biology	3, 4, or 5	8 unassigned units	No application
Chemistry	3, 4, or 5	8 unassigned units	No application
Computer Science		<i>4 units maximum for both tests</i>	
Computer Science (A Test)	3, 4, or 5	2 unassigned units	No application
Computer Science (AB Test)	3, 4, or 5	4 unassigned units	Satisfies quantitative reasoning requirement
Economics			
Macroeconomics	3	4 unassigned units	No application
	4 or 5	Economics 2 (4 units)	No application
Microeconomics	3	4 unassigned units	No application
	4 or 5	Economics 1 (4 units)	No application
English		<i>8 units maximum for both tests</i>	
Language and Composition	3	8 unassigned units	Satisfies Subject A requirement
	4 or 5	English Composition 3 (8 units)	Satisfies Subject A and English Composition Writing I requirements
Literature and Composition	3	8 unassigned units	Satisfies Subject A requirement
	4 or 5	English Composition 3 (8 units)	Satisfies Subject A and English Composition Writing I requirements
Environmental Science	3, 4, or 5	4 unassigned units	No application
Geography, Human	3, 4, or 5	4 unassigned units	No application
Government and Politics			
Comparative	3, 4, or 5	4 unassigned units	No application
United States	3, 4, or 5	4 unassigned units	Satisfies American History and Institutions requirement

History			
European	3, 4, or 5	8 unassigned units	No application
United States	3, 4, or 5	8 unassigned units	Satisfies American History and Institutions requirement
World	3, 4, or 5	8 unassigned units	No application
Languages and Literatures			
French Language	3	French 4 (8 units)	Satisfies foreign language requirement
	4	French 5 (8 units)	Satisfies foreign language requirement
	5	French 6 (8 units)	Satisfies foreign language requirement
French Literature	3, 4, or 5	8 unassigned units	No application
German Language	3	German 3 (8 units)	Satisfies foreign language requirement
	4	German 4 (8 units)	Satisfies foreign language requirement
	5	German 5 (8 units)	Satisfies foreign language requirement
Latin		<i>8 units maximum for both tests</i>	
Latin Literature	3	Latin 1 (4 units)	No application
	4 or 5	Latin 3 (4 units)	Satisfies foreign language requirement
Vergil	3	Latin 1 (4 units)	No application
	4 or 5	Latin 3 (4 units)	Satisfies foreign language requirement
Spanish Language	3	Spanish 4 (8 units)	Satisfies foreign language requirement
	4	Spanish 5 (8 units)	Satisfies foreign language requirement
	5	Spanish 6 (8 units)	Satisfies foreign language requirement
Spanish Literature	3, 4, or 5	8 unassigned units	No application
Mathematics		<i>8 units maximum for both tests</i>	
Mathematics (AB Test: Calculus)	3	4 unassigned units	Satisfies quantitative reasoning requirement
	4 or 5	Mathematics 31A (4 units)	Satisfies quantitative reasoning requirement
Mathematics (BC Test: Calculus)	3	8 unassigned units	Satisfies quantitative reasoning requirement
	4 or 5	Mathematics 31A, 31B (8 units)	Satisfies quantitative reasoning requirement
Music		<i>8 units maximum for both tests</i>	
Music Literature (no longer offered)	3, 4, or 5	8 unassigned units	No application
Music Theory	3, 4, or 5	8 unassigned units	No application
Physics		<i>8 units maximum for all tests</i>	

Physics (B Test)	3, 4, or 5	8 unassigned units	No application
Physics (C Test: Mechanics)	3, 4, or 5	8 unassigned units	No application
Physics (C Test: Electricity and Magnetism)	3, 4, or 5	8 unassigned units	No application
Psychology	3	4 unassigned units	No application
	4 or 5	Psychology 10 (4 units)	No application
Statistics	3	4 unassigned units	Satisfies quantitative reasoning requirement
	4 or 5	Statistics 10 (4 units)	Satisfies quantitative reasoning requirement
